## Message From The President

It is truly an honor to serve as the new President of this dynamic and talented agency. I would like to thank both the Board of Directors for their unwavering support and confidence as I orient and learn BCC's diverse program, and thank the staff for such a warm welcome!

We are all given a path to follow in life, and I have had the good fortune to work with many talented administrators and programs during my twenty-five year career to date.

My journey to this position feels like it started over ten years ago when I was attending a leadership-training seminar held in the Board of Child Care's conference center. I already knew of BCC's reputation for excellence prior to stepping foot on campus that summer, but seeing it in action really struck me. I can vividly remember turning to a colleague seated next to me and saying, "Boy, it sure would be great to work here!"

Looking ahead to the future, I believe my leadership experience with child welfare and human services organizations has prepared me for this role. I feel well suited to guide the Board of Child Care on its path ahead, and hope you will join me.

Sincerely yours,

Laurie Anne Spagnola
