We, the members of _____, pray that this blanket provides you warmth and a reminder that God also wraps you in His love. We pray that God will bless you and keep you safe. We pray that God will fill you with peace and hope. Amen.

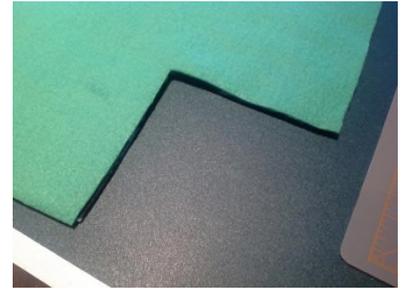

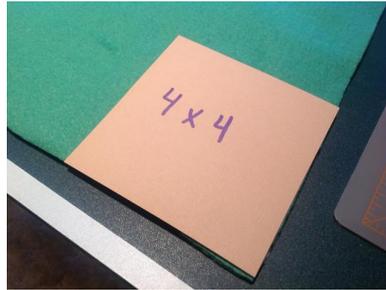

We especially need blankets for teenaged males. The best prints are sports related themes (footballs, soccer balls, baseballs, and basketballs), superheroes, animals, or other designs

Directions:

1. Layout your fleece on top of each other. Smooth out wrinkles and match up edges as best you can. Don't pull too much as fleece has a bit of stretch to it.
2. Trim edges.

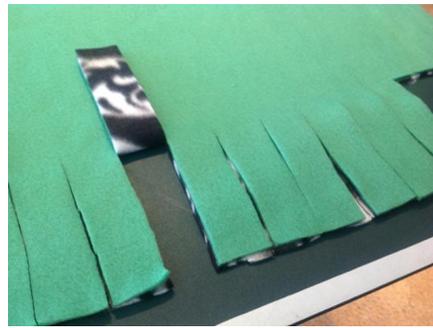

- Using your template, place on corner and cut out. Do this on all four corners.

- Start cutting a four inch strip along the edge. These are 1 1/4 inch strips.

- After you cut the four inch strips, fold them up.

- Take the two strips and tie together to form a knot

- Continue down the row with each strip.
- This knotting gives the blanket a nice look to the plain color side of the blanket.
