

ABOUT US

Strawbridge School is a non public school, approved by the Maryland State Department of Education. Our Whole Child program provides intentionally small, caring classroom settings guided by certified special education teachers.

WHO WE ARE

Board of Child Care is a private non-profit. We provide youth and their families with education, mental health, and therapeutic residential services across the Mid-Atlantic.

THE WHOLE CHILD APPROACH

A collaborative approach that integrates academic, behavioral, clinical, and vocational goals into each student's education plan. Each child is engaged in a safe, supportive, healthy and challenging environment.

the WHOLE CHILD EDUCATION

Safety

Each student learns in an environment that is physically and emotionally safe. Strawbridge School's team are experts in classroom and behavior management.

Social/Life Skills

A wide variety of vocational training prepares students for the transition to adulthood.

Physical

Physical education is available for a wide range of abilities. Campus offerings include a pool, indoor gym, skateboard park, basketball courts, and an obstacle course.

Health

Each student learns about and practices a healthy lifestyle. A health suite onsite is staffed by nurses and can manage psychiatric services.

Support

Each student has access to personalized learning and is supported by licensed teachers, social workers, and caring administrators.

Intellectual

Student's intellectual needs are met through the IEP process.

Emotional

Families are integrated into the success of each student by licensed therapists. The clinicians ensure that therapeutic techniques and interventions are utilized throughout the school settings.
