BOARD OF CHILD CARE

BOARDOFCHILDCARE.ORG

WHO WE ARE

Board of Child Care (BCC) is a private nonprofit organization. We provide youth and their families with education, mental health, and residential services across the Mid-Atlantic. Guided by our core values of Safety, Relationships, Empathy, and Impact, we see the whole child, not the behavior.

Evidence-based practices

Evidence-based practices provide a strong foundation for refining and developing new programs. Monitoring and analyzing therapeutic outcomes offer insight as to which treatments are working.

To support the delivery of trauma-informed care across all of our programs, BCC utilizes The National Child Traumatic Stress Network model.

NCTSN

The National Child
Traumatic Stress Network

Accreditations

Through ongoing self-studies and evaluations by outside reviewers and national accrediting bodies, BCC is committed to providing the best possible care for children and families.

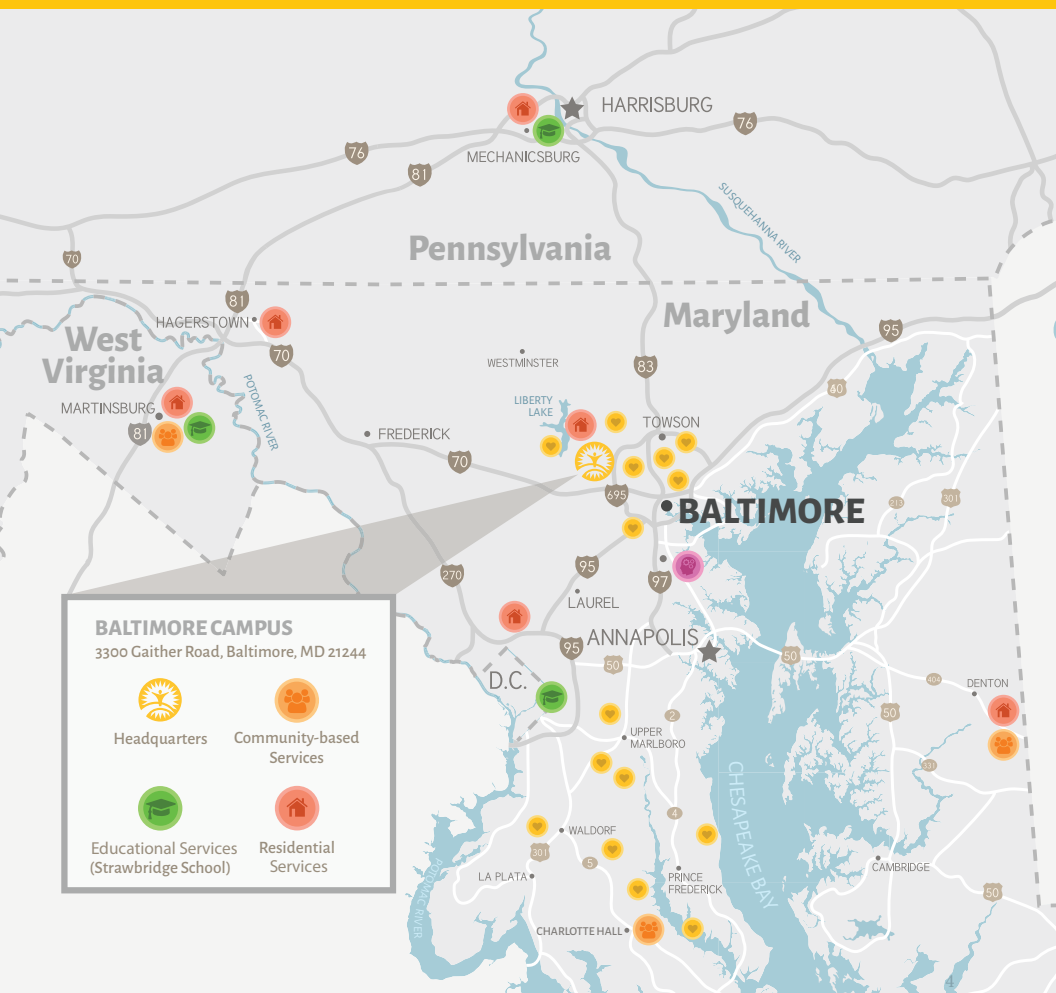

EAGLE
ACCREDITATION

Program specific accreditations are listed online at boardofchildcare.org.

BCC offers programs across the Mid-Atlantic.

Please visit us at boardofchildcare.org for a full list of locations.

PROGRAMS

Community-Based Programs

From adoption support to family therapy, our community-based programs enrich the lives of families in the Mid-Atlantic region. BCC offers direct services to families and training for community partners equipping them to respond empathetically to the mental health needs of youth.

Education

BCC can provide either an in-house or community-based education placement depending on the program and needs of the youth being served. Our whole child methodology integrates academic, behavioral, clinical, and vocational goals into each student's education plan.

BCC operates a stand alone school (The Strawbridge School) and partners with public school systems. All educational programs are approved by the relevant Maryland, Pennsylvania or West Virginia State Departments of Education.

Mental Health

Licensed clinical therapists and child psychiatrists provide mental health services throughout BCC's program services.

Residential Services

BCC's residential programs are designed for children and youth who require short-term and long-term care. Movement within BCC's continuum is fluid and flexible in both duration and design.

Whether a young person is ready for semi-independent living and a community-based placement or needs more of a campus-style arrangement, BCC's flexible offerings can meet a variety of treatment and supervision needs. Residential services are located throughout Maryland, Martinsburg, West Virginia, and Mechanicsburg, Pennsylvania.

Treatment Foster Care & Respite Care

BCC trains and certifies foster parents who provide care for youth in their home on a full-time basis. As a support for full-time foster parents, BCC also certifies respite care providers who provide short-term care of youth on an as needed basis.

OUR CORE VALUES

**Enriching communities,
one family at a time.**

MAKE AN IMPACT

Make an impact every month!

A monthly gift of \$10, \$15, \$20 or more helps BCC provide essential services to youth and families.

Sign-up today or make a one-time gift at:
boardofchildcare.org/donate

Request a guest speaker or come tour a program

We love to share our programs and their impact.

Request a guest speaker to come to your office meeting, community event, church assembly or any other social gathering. Better yet, come see our programs in action!

To request a speaker, please visit us online at boardofchildcare.org. Go to "Contact Us" and then select "Request a Guest Speaker."

Planned Giving

Start your legacy today by remembering BCC in your estate plans. Naming BCC as a beneficiary helps our programs grow and thrive – even after your lifetime.

Our team can also help set up gifts that provide steady, predictable income for loved ones (e.g. gift annuities, charitable trusts).

Stocks & Appreciated Assets

A gift of stock owned for at least one year means you receive a receipt for the fair market value on the date of transfer (even if you originally paid much less for them).

Like cash donations, stock gifts to BCC are deductible to the fullest extent allowed by law.

Employment Opportunities

BCC is searching for candidates to become part of our collaborative continuum of care.

STAFF BENEFITS:			
RELOCATION EXPENSES 	TUITION REIMBURSEMENT 	PAID TIME OFF 	CONTINUING EDUCATION 
EMPLOYEE APPRECIATION EVENTS 	RETIREMENT SAVINGS ACCOUNT WITH MATCH 	HEALTH, DENTAL & VISION 	FLEXIBLE SPENDING ACCOUNTS
